B.S. in SOFTWARE ENGINEERING [SWE] (120 credits) 

Curriculum Sheet for Catalog Year Fall 2008

** Avoid NO-CREDIT courses.

NO-CREDIT courses don’t count towards the degree, as general electives or anything else. List posted by 2000 EC and listed in CECS Handbook: 

They include ARTH 105, ECON 305, PSYC 381, SOC 383, STAT 325, and many others. Check the list! [5/11]

** Note: AAAS, STS, and WGST disciplines have different courses for Humanities and Behavioral or Social Sciences.
